Ministering to the leaders

Praying for my granddaughter

It was my great honor and joy to minister at New Life Church in Destin, FL on June 16-18. Bishop Shawn and Holly Baker invited me to minister at New Life Church and they gave me freedom to move in the Holy Spirit. We had over 200 people attend the two night revival meetings that lasted until after 10:00 pm each night and many were touched by the Holy Spirit and received God's divine healings. One man couldn't make a fist with both hands for two years, he was totally healed and touched by the power of the Holy Spirit. Even many children were slain in the Spirit as the presence of God tangibly came upon them. Several young people said, "We tried to get up but we couldn't because the presence of God was so strongly upon us!"

## Dr. Lee & Margarita at the Racial Reconciliation Service at Rock Church

Seven different racial leaders of "All for Jesus" movement spoke at the service.

Left: Pastor Todd Woolston was asking Bishop Davis to forgive the sins of white people during the service.

Right: White pastors were washing the feet of black pastors.

Margarita and Sister Dee were washing each other's feet for God's glory.

It was my great joy to minister at New Life Church after the COVID-19 Lockdown restriction was almost over in Destin, FL. Many people were eager to come out and experience the presence of the Holy Spirit at the church with the live worship team. As I was ministering in the Holy Spirit, the presence and glory of God came down upon the church and most of those who attended were deeply touched by the power of God and received their deliverance and healing. I also ministered to men on Thursday night (June 18th) and taught them how to live a heaven to earth life style according to Matthew 6:10. I was so blessed to minister in person after three months of COVID-19 lockdown season. I felt a greater anointing of the Holy Spirit was moving through me during the revival meeting at New Life Church than ever before. I pray that God will use me to usher in His revival fire

wherever He leads me to go and minister from this day on for His glory.

Thank you so much for those who have continuously supported us during this COVID-19 lockdown season. With your support, we will be able to plan future missions trips to Ukraine and Uzbekistan in September and beyond. **As soon as the U. S. personnel is allowed to travel to other nations without being quarantined for 14 days when we arrive, I will begin to make plans to travel and equip indigenous leaders by conducting the GHN conference in the nations.**

As you sow into RLM, may God's divine blessings of Luke 6:38 be upon your life, home, business and, ministries all the days of your life. Thank you very much for your prayers and faithful monthly support of RLM!
