2020

Global Harvest Network (GHN) Conference in Chesapeake, VA

Dr. Lee teaching at the conference

By the grace of God, we were able to conduct the GHN Conference at Harvest Assembly of God Church in Chesapeake, VA from March 12 to 15. Shortly after the conference, Virginia State wide lock down took place. We thank the Lord for Dr. Ray Kirkland, the Senior Pastor of Harvest AG, allowing us to have the conference at his church and Rev. Charger Ilao, one of the Senior GHN advisors, working very hard to make it happen at his church. The participants received God's impartation to move in His kingdom authority and power to destroy the works of the devil from their own Jerusalem to the end of the earth. I also had a chance to share God's kingdom message at ICM (International Cooperating Ministries) in Hampton, VA on March 5th. The ICM has built over 9,000 church buildings in the world and their Mini Bible School programs have been translated into 56 languages in the world. They have built over 10 churches for RLM associated pastors in Bulgaria in the past.

Dr. Lee shared the message of the Kingdom of God to the ICM staff members

My message was simulcasted to other ICM staff members in the U. S. and the world.

God's encouraging words for RLM partners

During this Coronavirus pandemic in the U. S. and in the world, we the children of God need to strengthen ourselves in the Lord and His mighty power. Proverb 23:7 states, *"For as he thinks in his heart, so is he."* That means whatever we think and fill our heart (our soil of sub-conscience mind) with, we will manifest or produce the fruits of our thoughts and will become that person. If our hearts are filled with fear, then many fruits of fear will manifest; however, if we occupy our spirit, soul, flesh, mind and heart with God's divine peace, promises, assurance, love, joy and happiness, then God's divine life of blessings will flow out of us. Therefore, I pray that you will fill your hearts and minds with the following promises of God:

1. **Our days are numbered by God:**

Job 14:5, *"You have decided the length of our lives. You know how many months we will live, and we are not given a minute longer."* That means God is totally in control over your life and as you trust Him with all your heart, Satan has no power to make your life one minute shorter than what He has appointed for you. Also, Jeremiah 1:5 states, *"Before I formed you in the womb I knew you; before you were born I sanctified you; I ordained you a prophet to the nations."* That means God even knew you before you were ever created. What did He know about you? God knew why He created you for—His creation mandate. How about God's statement in Psalms 139:16, *"You saw me before I was born. Every day of my life was recorded in your book. Every moment was laid out before a single day had passed."* If you believe the above Scriptures, then you don't have to fear "the Coronavirus Pandemic" because God is in control and He will take care of you until the moment that has been established by God to take you to heaven in the future. You can truly rest in God's promises and allow the Prince of Peace, Jesus Christ, to release His divine peace to you all the days of your life.

2. **The Lord will protect His children:**

Psalms 121:5, 7-8, *"The LORD himself watches over you! The LORD stands beside you as your protective shade." The LORD keeps you from all harm and watches over your life. The LORD keeps watch over you as you come and go, both now and forever. The LORD keeps you from all harm and watches over your life.* If God watches over you and He stands beside you as your protective shade from the Coronavirus or any other wicked schemes of the devil, then you are totally protected by Him as you go out and come in all the days of your life. On top of that, God assures of His protection over His children in Psalms 91:5-7, *"Do not be afraid of the terrors of the night, nor the arrow that flies in the day. Do not dread the disease that stalks in darkness, nor the disaster that strikes at midday. Though a thousand fall at your side, though ten thousand are dying around you, these evils will not touch you."* That means no weapon formed against you shall ever prosper because the Lord is your divine shield of your life. Praise the Lord. Therefore, we must win as many souls as we can so that they can also enjoy the same protection, blessings and abundant life on the earth and eternal life in heaven forever and ever.

3. **The Lord is our divine Healer:**

Jeremiah 30:17, *"For I will restore health to you and heal you of your wounds," says the Lord.* Even though we become sick with any infirmities, the Lord promises us that He will restore health to us and heal us of our wounds. Therefore, we need to rejoice in the Lord and pray for those who are sick to be healed by God's supernatural power. Enjoy your life with your family, be strong in the Lord and in the power of His might!

Your faithful support and prayer for RLM will be greatly appreciated during this lock down season! Dr. Lee had to cancel his mission trips to Uzbekistan in March and to Belarus in May. Once the situation changes, he will resume God's call to the nations to equip indigenous Missions Mobilizers. Thanks!
