## The GHN Conference in Virginia Beach

We conducted another GHN Conference to raise more U.S. GHN Missions Mobilizers (MMs) at Turning Point Church in Virginia Beach from Nov. 9 to 12. During the Conference, three children of a Mexican inmate from the detention center came and all of them were saved and filled with the Holy Spirit. To date, we trained 120 U.S. GHN MMs who can travel to the nations to equip indigenous GHN MMs in 2018. The next U. S. GHN Conference will be held at Seminole First Baptist Church in FL on January 11-14. Our goal is to raise 300 U.S. GHN MMs by the end of 2018. If the Lord wills, Dr. Lee will be introducing the GHN concept to many pastors ministering in the Islamic world who will take part in a conference at a secret location in 2018. Also, he will conduct the GHN Conference to equip around 100 indigenous leaders from over 10 different people groups in Northern India in March. In April, Dr. Lee will introduce three GHN courses at a church in Dnipro City in Ukraine. He is also planning to conduct the GHN Conference in the Philippines, Sri Lanka, Kyrgyzstan and Guatemala next year. He is also praying that God will open doors to Scandinavian countries in 2018.

## May God abundantly bless you during this Thanksgiving season!

We, at RLM, thank the Lord for His faithful partners supporting us each month so we can fulfill God's call to the nations for His glory. For the past two years, God also allowed us to conduct the Global Harvest Network (GHN) conferences to raise U. S. GHN certified Missions Mobilizers (MMs) to equip and train indigenous MMs in the world. As you have heard from us several times in the past RLM newsletters, River of Life Ministries wants to contribute to our part of making the Great Commission to become the Great Completion in this generation through launching the GHN initiative. Since the launching of GHN, the Lord Jesus Christ has been mightily moving through us to accomplish His divine plans in mobilizing indigenous GHN MMs to engage in finishing the task of the Great Commission. The converted Hindus, Buddhists, Animists, Atheists and Muslims in Christ can be the best qualified missionaries to their own Unreached People Groups. The Great Commission must be obeyed by all believers and churches in every people, tribe, tongue and nation. **In order for RLM to fulfill our appointed missions to equip indigenous GHN MMs in the world, we need your prayers and faithful support each month. We are praying for God to provide us with \$50,000 before the end of this year so we can expand the GHN trainings to many nations (Ukraine, Kyrgyzstan, Uzbekistan, Turkey, Philippines, Sri Lanka, China, India, Bhutan, Colombia, Guatemala and any other countries) in 2018 as the Lord provides the missions fund through His chosen people. May God richly bless you, your family, business and church as you sow generously into RLM in your year end giving.**
