All for Jesus Unity Walk in Virginia Beach

It was my great honor and privilege to march with the Mayor of Virginia Beach, over 30 pastors and leaders of the Hampton Roads' "All for Jesus" ministry team members, and with hundreds of other participants from all different racial and religious backgrounds on July 18th. I was one of the 13 different ministers who spoke at the event for God's divine unity, blessings, healing, reconciliation, deliverance, salvation and victory in Christ to bring His revival to Hampton Roads and the United States of America. We claimed 2 Chronicles 7:14 for the healing of our land.

***Spiritual Warfare must be focused on God and His mighty power. The battle belongs to the Lord!***

What is written in the Bible will take place because God is in control over the affairs of the whole of humanity from the beginning in Genesis 1:1 to the "Amen" in Revelation 22:21. Therefore, we must fear the Lord and follow Him with all our hearts, souls, minds and strength. No power on earth can alter what God has written and established from the beginning. As believers in Christ, we must focus on God's divine authority and power to destroy the works of the devil by evangelizing the world. When we engage in all sorts of spiritual battles in life, we must focus on becoming strong in the Lord and in the power of His might (Ephesians 6:10). We must not focus on Satan and his evil hosts of darkness. In this book, we will examine the Scriptures to see how the heroes of the faith conducted spiritual warfare so we can learn from their examples how to apply their principles to our own spiritual battles.

***It is Time to walk in God's Kingdom Authority and Power to Transform the World for His Glory!***

Every believer in Yeshua the Messiah must understand God's overall mission for fallen mankind. Once a disciple truly grasps God's heart for the Israelites and the Gentiles, they must walk with the authority of Yeshua and the power of the Holy Spirit, demonstrating His kingdom presence in this dark world. God's core mission is to utilize the Israelites to bring His Salvation and Kingdom plans to bless all the families of the earth through the Son of the living God, Yeshua. The invisible Kingdom of Heaven has touched down on the Day of Pentecost. When this Gospel of the Kingdom is preached throughout the world, witnessing to all the families of the earth, the end will come...

***"For it is God who works in you both to will and to do for His good pleasure" Philippians 2:13***

You are a very special and unique person in the sight of God. He has a hope and future for you. Please begin to listen to the still small voice of the Holy Spirit, and then He will find you because it is His great desire to walk with you. Jesus Christ will help you discover the real you--the you who has been created to do the will of the Father God on earth. When the presence of God comes down upon you, you will be filled with the Holy Spirit to accomplish His divine call in your life. God loves to release His divine anointing, plan, hope and future for you so you can become His instrument of righteousness to expand His kingdom on earth for His glory.

The COVID-19 pandemic season brought dramatic changes in our lives, businesses, ministries and churches in the U. S. and in the world. For the first time in 32 years of my full-time missions work to the nations, I received God's forced sabbatical leave for almost five months. However, I am ready to go to the nations to equip indigenous leaders through the GHN seminars so they can, in turn, evangelize their own unreached people groups until Christ's prophetic words in Matthew 24:14 to be fulfilled in our generation. **Please pray that God will eliminate the spread of COVID-19 virus in the world and I can travel to Ukraine and Uzbekistan in September as it was scheduled in the beginning of this year.** I have begun to write a new book *Be Strong and Very Courageous* and I hope to publish it in a few months. Also, **it will be a great blessing to RLM if you would buy or promote my previous three books (paperbacks as well as ebooks) that have been uploaded to [amazon.com](https://www.amazon.com) recently.** All the proceeds from the book sales will 100% go to the RLM. May God richly bless you as you sow into RLM during this pandemic season!
