Conducted the GHN Seminar for Pastor Avilov's Church

It was my great joy to equip Pastor Avilov and his family members with the third GHN course (God's Heart for the World) this month via Zoom. Once they are trained, they will, in turn, equip other leaders among their house churches around the Kremenchuk region of Ukraine. His three daughters want to be missionaries to the nations in the near future. RLM and DHF have also been helping Pastor Avilov to finish the children's home to accommodate orphans and poor children in the region. I made plans to visit his home churches and to see the progress of the children's home from Nov. 12 to 17 in Kremenchuk. After that, I will visit Ethnos' church in Ternopil to minister and to see their progress of the new church building from 18th to 22nd and fly back home on the 23rd. I will have to take a COVID-19 PCR test and receive the result within 4-5 hours prior to my trip to Ukraine on Nov. 11th. It costs \$295 for the test in Virginia Beach. Please pray the Ukrainian customs in Kiev will allow me to travel to Kremenchuk without any further test or quarantine because I have only 11 days to travel and minister within Ukraine. (Pictures below: The progress of the Children's Home with Pastor Avilov's family with home church members: They still need \$3,000 plus to finish the interior of the home). We have been helping them as funds are available with the Door of Hope Foundation (DHF).

Created “Be a Miracle Maker” and “Where Eagles Fly” YouTube Channels

“Where Eagles Fly!” YouTube site has been created by the direction of the Holy Spirit to allow the voices of young people (Eagles) to be heard. Their voices will cause parents, grandparents, church leaders, and older generation to have better understanding of their victories, successes, struggles, fears, and desires. So that they can be better disciplined to be God’s anointed ministers to transform their own generation of lost souls in the U. S. and in the world. Ian, who is an 8 years old, told me during the interview that young people and children need Jesus Christ so that they can be very happy in life and have eternal life. My granddaughter, Elena Kay said, *“many young people do not believe that they are loved by God and loved ones. However, God loves them and wants them to be saved...”* Please check the channel and if you like it, then you can click “subscribe” and share it with others. (You can also see the same videos at the “Vlog” site of the RLM Website: www.rlmva.org)

“Be a Miracle Maker!” YouTube site has been created to encourage all believers to be Christ’s Miracle Makers. Unfortunately, most Christians do not believe that they can be Miracle Makers to preach the gospel, heal the sick, cast out demons, and even raise the dead according to Christ’s command in Matthew 10:7-8. They disqualify themselves based on wrong belief system that they have to be gifted (based on spiritual gift testings), equipped, educated, and called to be full time ministers to be Miracle Makers. In reality, the Miracle Maker (Jesus Christ) dwells inside of us with the power of the Holy Spirit so that He can use us to destroy the works of the devil as His Miracle Makers for His glory. Anyone can fulfill the command of Matthew 10:7-8, if he/she has faith to believe that it is Christ’s perfect will to use him/her as a Miracle Maker to expand the kingdom of God on the earth in His name... It has been a very difficult COVID pandemic season for RLM for the past 8 months. We at, RLM, truly appreciate all of our faithful partners who have been sacrificially sowing into God’s mission during this season. We have lost quite a few donors due to their financial struggles and loss of jobs. We would like to ask you to pray for us, and as the Lord leads, if you could continuously support us during this season, we will be greatly appreciated. I have decided to travel to Ukraine to visit and minister at the home churches of Pastor Avilov and to see the progress of the children’s home that we have been supporting from Nov. 12 to 17. In Nov. 18th, I will travel from Kremenchuk to minister at Ethnos Church in Ternopil till 21st (It will take 8 hours of bus ride). On 22nd, I will ride a train from Ternopil to Kiev to stay one night in Kiev and to fly home on the early morning of the 23rd. I have to take the PCR COVID-19 Test prior to my departure to Ukraine. The whole trip will cost over \$3,500 including our support funds for the Children’s Home in Kremenchuk. Your prayers and generous support toward the mission trip to Ukraine will be a great blessing for RLM and churches in Ukraine. May the Lord abundantly bless you as you sow into RLM during this difficult season for His glory! We pray God will also protect you, your family and business with His divine promises in Psalms 121!
