**The Holy Spirit moved mightily in five churches in Spain**

**Ministering at CCFEAM Church in Banyoles**

Bishop Jaume Torrado (R) and his wife, Mary (L) invited Margarita and me to minister at four of his churches in the Barcelona region on 5 - 12 May. We conducted GHN seminars and revival meetings. On May 19th, we also ministered at Betel Barcelona, a drug rehabilitation center and a church. During this trip, we ministered at seven different meetings and a total of 43 people got saved and over 40 divine healings took place. The Holy Spirit moved in His divine power to set many people free from different kinds of sicknesses and bondages. One lady ran to us as soon as I finished preaching and told us that she was totally healed while she was listening to my sermon.

The main people group in the Barcelona province is Catalan and they are one of the least evangelized people groups in Western Europe--only 0.54% evangelicals in the region.

Bishop Jaume, who is one of the leaders among the Church of God denominational churches in Spain, expressed his desire to invite us again to conduct the rest of the GHN seminars in the future and to lead revival meetings. Through this trip, God instilled in my heart to be engaged in re-evangelizing Europe for His glory.

**Praying at the National Day of Prayer Meeting at Rock Church**

It was our great joy and privilege to minister at six churches in the Barcelona Province of Spain. Margarita translated my messages to Spanish and we ministered together as one team with the Holy Spirit. We are praying that God will bring His revival to these churches among the least evangelized Catalan people of Spain. If the Lord wills, we will go back and teach the rest of the GHN seminar materials in the future. Please pray for revival meetings in Dayton, OH and in FL in June and conducting youth revival meetings in Ternopil and Kiev, Ukraine in July. May God richly bless you as you sow into RLM!
