Ministering to poor children

Ministering to poor families

Ministering to a sick elderly lady

Since August 2020, RLM and DHF (Door of Hope Foundation) have been helping Pastor Avilov's ministries to reach out to orphans, poor children and families, and sick elderlies among seven poor villages near Kremenchuk, Ukraine. RLM provided the GHN (Global Harvest Network) seminars to the leaders of the church and the Avilov family to equip other Ukrainian young leaders in the region. I created seven "World Missions Equipping Courses" with Anna Avylova in English and Russian to equip Russian speaking young people in Ukraine and former Soviet Union blog in the near future. Also, RLM and DHF provided funds to build the Children's Home in Kremenchuk since last August. You can see the progress of the interior of the building on the above pictures through the funds that RLM and DHF have raised. Once the interior of the building is done, they need to purchase a refrigerator, oven, other kitchen and bathroom equipment, beds, furniture, TV, couches, dining room tables, chairs, blankets, and other necessities for the orphanage. I will visit Pastor Avilov in June and inform our supporters what he absolutely needs to open a functional Christian orphanage in Kremenchuk in the near future.

Ministering at Believersbiz Lunch in Chesapeake, VA

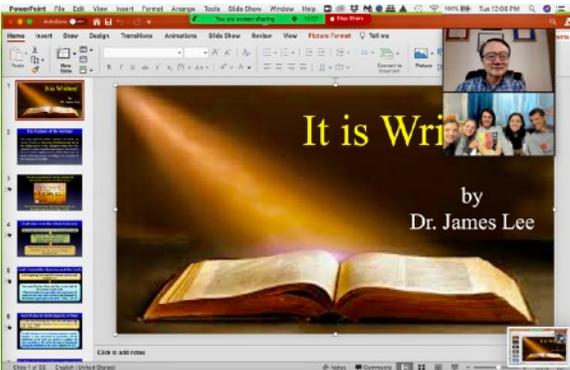

It was my great honor to minister at the local Believersbiz luncheon meeting on April 7th. The local Christian business people come to share their business ideas with others and listen to a guest speaker every Wednesday from 12:00 to 1:30 pm at Greenbrier Buffalo Wild Wings in Chesapeake, VA. Brother Jeff Guill has directed the event for over 20 years. I shared the message based on my book *It is Written* (spiritual warfare focusing on God and His mighty power).

Ministering at RLM Home Ecclesia Meeting on Sunday Afternoon

It has been my joy to minister to local believers and other friends joining it via zoom from seven different churches on Sunday afternoons. For the past few weeks, I have been teaching them how to walk in the power of the Holy Spirit.

Equipping Pastor Avilov's family in Ukraine with the GHN Seminar "It is Written!"

Please pray for Pastor Avilov, his wife Tatyana, and Anna who possibly got COVID as they ministered to poor families in several villages.

I shared a message on "Prophecy is not a Blank Check!" and uploaded it to my YouTube channel (Be a Miracle Maker). If you like to listen to the message, please check it out (<https://youtu.be/ePG51M4gcxI>): God's prophecies have conditional elements that the recipients must pray fervently to know exactly how to make them happen in their lives for His glory. When the recipients take the prophecies seriously and ask the Holy Spirit to guide them step by step to fulfill the direction of God, then they will come to pass in His divine time. People who do not realize that prophecy is conditional may have their faith shaken if a particular prophecy does not come to pass as one wished. Those operating under this premise might then declare that Jonah was a false prophet because his message to Nineveh didn't happen according to how the prophecy was given with a specific date...

"Oh come, let us sing to the Lord! Let us shout joyfully to the Rock of our salvation. Let us come before His presence with thanksgiving; Let us shout joyfully to Him with Psalms. For the Lord is the great God, and the great King above all gods." (Psalm 95:1-3) "Sing to the Lord, bless His name; Proclaim the good news of His salvation from day to day. Declare His glory among the nations, His wonders among all peoples." (Psalm 96:2-3)

RLM and DHF want to declare the above words of God to the nations and raise indigenous Missions Mobilizers to share His wonders among their own Unreached People Groups and to provide God's love for orphans and poor children in the world for His glory. We would like to express our deepest appreciation to all those faithful donors who have been supporting the RLM for many years and to provide funds to build the interior of the Children's Home in Kremenchuk, Ukraine through partnering with Pastor Avilov's family and church. Please pray that the Russian army will withdraw from the Eastern border of Ukraine in May and there won't be a war in the near future. I am planning to visit Pastor Avilov to minister at his main church and home churches among the poor villages near Kremenchuk. I will also see the progress of finishing the interior of the Children's Home and to find out what he will need to make it operational to accommodate around 26 orphan children (ages 6 to 16 years old) in the near future. **Through God's faithful and generous donors who have been supporting RLM and DHF, we were able to minister in person in Ukraine, Costa Rica, and via Zoom calls to minister to disciples, pastors, and leaders in over 10 countries for the past 13 months. May God abundantly bless you as you sow into RLM and DHF for His glory! Thank you very much!**
